

# Assisted Instrument Purchase Scheme

Please use this form to purchase a drum kit and/or cymbals from drumnut.co.uk using the *Assisted Instrument Purchase Scheme*. This allows you to buy an instrument for your child through their school free of VAT.

To qualify, your child must be receiving lessons at school. Sadly, the scheme is not available for students receiving private tuition at home. For more details, please see: <https://www.gov.uk/hmrc-internal-manuals/vat-government-and-public-bodies/vatgpb7825>

In all cases, full payment needs to be given to the school, not drumnut.co.uk. We will advise you of what to do when we receive this completed form.
